

SANDRA KOTCH

PAST CHAIR
AWWOA OFFICER
CITY OF CALGARY

Sandra has worked at the Bonnybrook Wastewater Treatment Plant since 1992, mostly in operations and recently, developing, reviewing and moderating training. She has Level IV Wastewater certification and degrees in Math and Education. Working with the Centre of Excellence, she was a presenter for the Pumps and Blowers course. Sandra was also involved in the Closer to Home project, attracting new operators to the industry. She has been on the AWWOA Board since 2019 and has found it to be very educational and rewarding. Her hobbies include camping and gardening.
