

NATHAN VIS

DIRECTOR
5K - 25K POP.
TOWN OF BANFF

Nathan has been actively involved in water and wastewater treatment for close to 15 years. He has Level IV Wastewater Treatment, Level IV Wastewater Collection, Level IV Water Distribution and Level II Water Treatment Certifications. Currently, he is the Water Services Foreman at the Banff WWTP. What he truly enjoys about this field is working alongside other like-minded operators, taking pride in what he does, and providing support for others. He believes in providing a service that is paramount to both the natural environment and public health and safety.
