

Entrance Training Bursaries

The Association provides five training bursaries per fiscal year of up to \$250 each to support individuals who are actively pursuing a career/ certification in the water and wastewater industry.

Procedure:

Individuals seeking certification as a water and wastewater operator can apply for an Entrance Training Bursary worth \$250.00 to offset the registration cost for one of the following AWWOA Courses:

- Entry Level Training
- Level I Certification Preparation Course
- Small Water Systems Operation
- Small Wastewater Systems Operation

Applicants are eligible for one Entrance Training Bursary per lifetime. Bursary applications are reviewed and evaluated within 30 days of receipt. Bursaries will be awarded based on a “first come first serve basis” to applicants that meet the criteria in this policy.

Please note:

- Bursaries will not exceed \$250 and will be paid upon successful completion of course.
- Bursary recipients will not be eligible for other bursaries during the same fiscal year.
- Successful applicants will receive a one-year complimentary AWWOA membership.

Criteria

- Currently seeking a career or certification in the water and wastewater industry
- Provide a copy of the course registration fee and proof of payment
- Course completion certificate date must be within the fiscal year that the bursary application is received (August 1st - July 31st).
- Complete the [Training Bursary Application form](#) and submit to:
