

## **Temporary Labourer – Full Time to Approximately October 29, 2021 (Three Positions)**

### **Department: Distribution and Collection Operations**

### **Reports To: Manager, Distribution and Collection**

*Aquatera provides high quality, environmentally sustainable utility services and optimizes value to customers and shareholders. As an exemplary employer, we look for people who can live our values, and are committed to high quality work and great customer service.*

### **Summary**

We are currently recruiting Temporary Labourers for our Water Distribution and Wastewater Collection department. This job is for physically active people who get a great deal of satisfaction from doing the job right every time. Highly motivated, independent workers will enjoy the opportunity to work with small crews to accomplish big things, and to support Aquatera's culture of continuous improvement.

We have extended health benefits available for returning seasonal employees. There is also a possibility that the position could turn into full-time employment depending on staffing requirements. You will be working a 40-hour work week.

### **Requirements**

- Must be legally entitled to work in Canada
- Must be able to do physically strenuous work in all weather conditions
- Must possess and exhibit strong safety acumen
- Must be able to work independently and complete all assigned jobs
- Ability to operate all equipment in assigned area of responsibility
- Ability to understand and follow oral and written instructions
- Ability to adjust operating conditions and recognize operating deficiencies in assigned equipment
- Smoking restrictions are in effect
- Must be a team player
- Safety footwear is required
- Mechanical inclination is an asset
- Travel to remote locations, including overnight travel, may be required

## Responsibilities

- Excavation of water and wastewater infrastructure
- Line flushing
- Valve exercising and painting
- Operating equipment and working outside in various weather conditions
- Exposure to noise, fumes, dust, dirt, odours and chemicals
- Other duties as required

## Qualifications

- Preference will be given to graduates of or who are currently enrolled in the NAIT Water/Wastewater Technician program
- High school or equivalent education
- A clean Class 3, 2 or 1 driver's license with air brakes is an asset
- Possession of First Aid, H2S, Fall Protection, Confined Space, and Ground Disturbance certificates is an asset
- Skill in using a grease gun, wrenches, screwdrivers, sockets, and various other hand and power tools
- Ability to use computers and electronic equipment
- Knowledge of the work hazards and safety precautions associated with assigned equipment
- Knowledge of applicable traffic laws, ordinances and regulations involved with the operation of equipment
- Knowledge of Alberta OHS Act, Regulations and Code
- Backhoe experience excavating around other utilities is an asset

The successful candidate(s) will be required to provide a copy of their valid Canadian driver's license, current drivers abstract satisfactory to the employer and pass a 50 lb. fitness test.

A copy of a current driver's abstract will be required at the time of the first interview.

Compensation and benefits are in accordance with the current C.U.P.E. Collective Agreement.

We would like to thank all applicants for their interest. Only those selected for an interview will be contacted. All applicants selected for an interview must be able to pass pre-employment fitness testing.

Please visit our careers page at <https://aquatera.bamboohr.com/jobs/> or go to [www.aquatera.ca](http://www.aquatera.ca) and apply before **4 p.m. on April 12, 2021.**
