

Competition # V1348

Senior Utility Technician

Full-time

Closing Date: Open Until Further Notice

Under the general direction of the Water Technician Coordinator or designate, the Senior Utility Technician provides some work guidance and information sharing to the Utility Technicians to ensure the efficient and continuous supply and treatment of potable water to the Sunshine Coast Regional District, and the efficient and effective treatment of the Sunshine Coast Regional District's sanitary sewer systems. Work is performed to ensure that service delivery meets the expectations of internal and external customers, in accordance with the appropriate regulatory and license requirements.

This is a bargaining unit position with a wage rate of \$39.22 per hour and includes a full benefit package upon the successful completion of a four month probationary period with the SCRD.

Applications for this position must include a current resume, a cover letter quoting the competition number and verification of education/certification submitted via [EMAIL](#) to Human Resources. Qualification requirements including formal education, training, experience and other skills and knowledge can be found in the job description available with this posting.

We thank all candidates for their interest; however only those selected for interviews will be contacted.
