

JOE RAHN

OPERATORS SEMINAR
CHAIR
25K - 150K POP.
ROCKY VIEW COUNTY

Joe has been involved in the industry for the past 9 years. As many in the water/wastewater world do, he enjoys the diverse range of tasks throughout his day, while working with some great groups of people. Not only do I wish to represent our current operators in the field but also to encourage new people to get involved and explore the opportunities within this industry. In his personal life, he likes to spend time with family and friends, taking any opportunity to head out camping, fishing or anything outdoors.
