

KATHY JONZON

WATER WEEK CHAIR
25K - 150K POP.
AQUATERA

Kathy graduated from the NAIT Water & Wastewater Technician Program in 2012. She has 8+ years of operating experience and is certified as a Level III Water and Level IV Wastewater operator. She chose the water and wastewater field because she wanted to become part of a growing industry while striving to protect both people's health and the environment. Kathy has extensive experience training fellow teammates and enjoys trouble shooting process issues and supporting teammates in every aspect of water and wastewater treatment. She enjoys spending time with family and camping.
