

DARIS PODGURSKI

TRAINING CHAIR UNDER 5K POP. TOWN OF PENHOLD

Daris has been working with the Town of Penhold for the past 10 years and holds Level I certification in Water Distribution, Water Treatment and Wastewater Collection. He started with the town in 2012 as a summer student and then became a full-time operator. Daris is responsible for maintaining 2 reservoirs and 7 lift stations. In past years, he has volunteered at the Seminar as a room moderator and sold 50/50 tickets. "No two days are the same as a public works operator and that's what makes the job enjoyable." When not working, you can find him on the nearest skill hill or playing football.
