

DON ERECHUK

DIRECTOR
DMJ ENVIRONMENTAL
PUBLIC FACILITIES

Don has worked in the industry for over 20 years in all four disciplines. He currently holds a Level III Water Treatment and Level II certification in all three other disciplines. He has been a member with the AWWOA for over 15 years. Don enjoys spending time with his wife and son and is actively involved with the County of Parkland Community. In his free time, he helps with treatment training and enjoys fly fishing, hiking, camping, golfing and quading.
