

Water and Wastewater Operator

Operator II Position – Bragg Creek

Aquatech Canadian Water Services is a privately held Canadian corporation established in 2004, specialising in management, operations, and maintenance services for both Water and Wastewater facilities. Aquatech Canadian Water Services is one of the largest private Canadian operators of Water and Wastewater treatment plants.

We presently are hiring a level II Operator for permanent position in Bragg Creek location. Candidates must possess a valid Certificate for Level II Water Treatment, Water Distribution, Wastewater Treatment and Wastewater Collection.

For these specific positions, the Operator will operate, repair and execute the maintenance in all four disciplines.

Duties, responsibilities and personal qualities, but are not limited to:

- ❖ Operate and maintain a level 3 MBR Wastewater Treatment Plant and Collection system;
- ❖ Operate and maintain a level 2 MBR Water Treatment Plant and distribution system
- ❖ Trouble shoot and operate multiple EOne lift stations on private property.
- ❖ Proficient in Microsoft office;
- ❖ Collecting and analysis of samples;
- ❖ Process Interpretation and adjustment according to the lab results;
- ❖ The ability to do minor maintenance on Chemical injection systems;
- ❖ Calibrate lab equipment and on-line instrumentation;
- ❖ Trouble shooting process alarms and respond;
- ❖ Compile and complete the reports and all the required documents;
- ❖ Be motivated, flexible and a team player;
- ❖ Respond and communicate efficiently to client inquiries and maintain good relations with public, office staff, co-workers, and contractors.
- ❖ Have effective organization skills;
- ❖ Promote a positive image of AQUATECH.
- ❖ Able to complete required on-call rotation

Water and Wastewater Operator

The successful candidate will enjoy a competitive salary and benefit package, plus many other incentives from a company who regards "Our employees as our most important resource". Please submit your resume to:
