

SUPERVISOR FACILITIES

Liquid Waste Services

The City of Campbell River is seeking a **Supervisor – Facilities (Liquid Waste Services)**

Naturally, Campbell River – Located on Vancouver Island, surrounded by the ocean and majestic mountains, the City of Campbell River offers a rare combination of a welcoming small-town feel with large-city amenities. From summer markets and street events to an active arts and culture community to year-round, world-class recreational opportunities, the Campbell River lifestyle is unparalleled. We are a 45-minute drive from the winter and summer activities of Mount Washington, and just minutes from more than 100 km of all levels of mountain biking and hiking trails, plus easy access to the ocean, rivers and lakes for sports fishing, kayaking, paddle boarding and whale watching.

The role - As part of the integrated liquid waste services team and reporting to the Liquid Waste Services Manager, you will be responsible for the operation and maintenance of the City's Level III Wastewater Treatment Plant and Collections Facilities (i.e. lift stations and other non-linear assets) including repairs, preventive maintenance programs, investigations and customer service requests and concerns. The work involves planning and implementing assigned daily tasks, and directing and supervising the work of operators, labourers, and various contractors performing work on the City's wastewater treatment and collections system.

To be successful in this role, you will have

- A diploma in wastewater related studies; or a relevant Trades certification; or an equivalent combination of education, training and experience
- Current Level 2 EOCP certification in Municipal Wastewater Treatment
- Current Level 1 EOCP certification in Wastewater Collections
- Eligibility to obtain Level 3 EOCP certification in Municipal Wastewater Treatment within 6 months
- Eligibility to obtain Level 2 EOCP certification in Wastewater Collections within 1st year
- Minimum 4 years' progressive experience in a wastewater operations role including treatment and collections facilities for a Class II or higher facility within the past 6 years
- Minimum 3 years of supervisory/leadership experience in a wastewater discipline, supplemented with supervisory training, within the past 7 years
- Minimum 3 years' experience in project management
- Possess and maintain a valid BC Class 5 Drivers' Licence

The rate of pay for this permanent, full-time, CUPE bargaining unit position is **\$41.40 per hour** based on a **40-hour** work week and includes a comprehensive benefits package.
