- Certification levels in Wastewater Collection are an asset
- Must have knowledge of distribution/collection infrastructure repair and maintenance
- Must have a minimum of six years experience in water distribution and wastewater collection
- Must be self-motivated, organized, and safety conscious
- Must be able to work without direct supervision
- Must have strong analytical and problem-solving skills and a proven mechanical aptitude
- Must have good oral, written, and interpersonal skills, supporting our values and principles

Travel to remote locations, including overnight travel, may be required.

Responsibilities

- Maintain and operate water and wastewater mains
- Maintain and operate valves and manholes
- Maintain and operate hydrants and lift stations
- Electronic inspection of sewer services
- Records maintenance
- After-hours standby schedule
- Excavator operation
- Water meter installation and electronic meter reading
- Water turn on/turn off

Qualifications

- Level IV Water Distribution certification
- Wastewater Collection certification levels are an asset
- High School or equivalent education
- A Class 3 Q endorsed driver's license
- Possession of Confined Space Entry and Standard First Aid certificates

The successful candidate will be required to provide a valid Canadian driver's license and abstract satisfactory to the employer as well as pass a 50 lb. physical fitness test

Compensation and benefits are in accordance with the current C.U.P.E. Collective Agreement.

We would like to thank all applicants for their interest. Only those selected for an interview will be contacted. Please visit our careers page at <https://aquatera.bamboohr.com/jobs/> or go to www.aquatera.ca and apply before **4 p.m. on February 22, 2022. Competition will remain open until a suitable candidate is selected.**
