

County of Forty Mile

Utility Operator II

Employment Opportunity

The County of Forty Mile No. 8 is located in southeast Alberta and centered between the cities of Lethbridge and Medicine Hat. The municipality has a population of 3759 residents and has eight hamlets, the Village of Foremost and the Town of Bow Island as well as Forty Mile and Golden Sheaf Parks within its municipal boundaries. The municipality covers 7,283 square kilometers of slightly rolling hills and coulees. The major land uses include large areas of pasture, dry cropland, and extensive irrigated areas. Residents and tourists alike can enjoy sights in the South Saskatchewan River valley, Red Rock Natural Area, Milk River valley, Kennedy Coulee Ecological Reserve, and environmentally significant and sensitive areas.

The County of Forty Mile No. 8 is currently inviting applications for a highly motivated individual to join our Utility Team as a Utility Operator II. The position is located at the Consolidated Operations Center in the Village of Foremost. This is a full-time position working 40 hours per week Monday to Friday with on-call rotation and the occasional emergency call-out and overtime.

Reporting to the Utilities Supervisor, the successful candidate will be responsible for:

- Performing operations, maintenance and repair duties for water treatment, water distribution, wastewater treatment and wastewater collection facilities in various locations around the County of Forty Mile.
- Assisting with weekly bacteriological sampling in all hamlets.
- Monitoring and inspecting equipment and systems and ensures timely and efficient repairs.
- Obtaining and maintaining Level 1 Water & Waste Water certification in all four disciplines.
- Understanding of computer hardware and software and can effectively use Windows, System Control and Data Acquisition, Microsoft Word, Microsoft Excel, Outlook, and other software programs.
- Capable of lifting more than 50 lbs (occasionally up to 100 lbs).
- Must be fully immunized against workplace pathogens (i.e. Hepatitis, etc.)
- Providing a Criminal Record Check and clean Drivers Abstract

A full list of position information and required skills and abilities can be found on the County of Forty Mile website at www.40mile.ca

Candidates not meeting the requirements may be considered for other Utility positions. Preference will be given to those with trades or post-secondary education in water and waste water works related fields.

The County of Forty Mile No. 8 offers a competitive compensation package including medical, dental, extended health and LAPP.

The competition will remain open until a suitable candidate is found. Only those candidates selected for an interview will be contacted.

Interested applicants are invited to submit their resume including relevant work experience, education/training, and references to:
