

## **Water Distribution & Collection Supervisor**

The MD of Pincher Creek is looking for a motivated and skilled Water Distribution & Collection Supervisor to join our team.

This key role involves ensuring compliance with licensing requirements, overseeing water and wastewater utilities, day-to-day water plant operations, and supervising a small team.

If you are diligent, detail-oriented, and committed to safety, we want you!

### **Position Details**

- Full time, permanent
- Start Date: Contingent on the availability of the successful candidate.
- Minimum Certification: Level 2 Water Treatment, Level 1 Water Distribution, Wastewater Collection & Treatment Certification (Candidates working towards these certifications may also be considered)

Full job description at <https://mdpinchercreek.ab.ca>

This competition will close on Friday, August 2, 2024, or until a suitable candidate is found.
