

Make working for
The City work for you.

Water Services Utility Worker – Field Operations

If you are committed to public service, enjoy collaborating with others, share our values and have a desire to learn and grow, join [The City of Calgary](#). City employees deliver the services, run the programs and operate the facilities which make a difference in our community. We support work-life balance, promote physical and psychological safety, and offer competitive wages, pensions, and [benefits](#). Together we make Calgary a great place to make a living, a great place to make a life.

The City is committed to fostering a respectful, inclusive and equitable workplace which is representative of the community we serve. We welcome those who have demonstrated a commitment to upholding the values of equity, diversity, inclusion, anti-racism and reconciliation. Applications are encouraged from members of groups that are historically disadvantaged and underrepresented. Accommodations are available during the hiring process, upon request.

Water Services - Field Operations team has an exciting opportunity for individuals with labouring and truck driving skills. As a Utility Worker with Field Operations, you will perform semiskilled, heavy manual labour assisting in water, wastewater, stormwater, or operational services. Primary duties include:

- Perform heavy manual labour such as digging, lifting, and shoveling.
- Assist in the installation, maintenance, operation, and repair of utilities.
- Complete paperwork and forms related to specific tasks.
- Utilize various hand tools and power tools to complete tasks.
- Complete site restoration work and drive various sized vehicles.

Qualifications

- A valid Class 5 Driver's License (or provincial equivalent) with no more than 6 demerits, or a Graduated Driver's License (GDL) with no more than 4 demerits, with no current suspensions or charges pending.
- Preference will be given to candidates with:
 - Any Alberta Trades Certification or Red Seal Trades Certification.
 - Experience operating any of the following equipment: Hydrovac, High Pressure Truck, Backhoe, Trackhoe, Tandem Truck Driver, Bobcat or Skidsteer.
 - Experience in any of the following: Underground Utility CCTV, Stormwater system operation and maintenance and/or underground utility construction.
- 1 year of related driving experience, work experience with power/ hand tools and underground construction related experience will be considered assets.
- A High School diploma or equivalency (e.g. GED) will be considered an asset.
- A valid Class 1 or Class 3 Driver's License or Q (Air Brake) endorsement will be considered an asset.
- Boom Truck operator experience (or journeyman certification) will be considered an asset.
- Success in this position requires applicants to hold safety as a value, as working safely is critical in all tasks performed and, in all decisions made.

Working Conditions: These positions are physically demanding, at various locations and work is done in all types of weather conditions.

Note: This posting may be used to fill similar positions within the work unit.

Pre-employment Requirements

- A security clearance will be conducted.
- Must obtain a City of Calgary [operator's permit](#).
- Successful applicants must provide proof of qualifications.
- Successful candidates will be expected to report to various city locations.
