

MEGAN SAUVE

WATER WEEK CHAIR
5K - 25K POP.
TOWN OF CROSSFIELD

Megan began her career in water and wastewater treatment in 2014. She has gained valuable experience and demonstrates a strong commitment to the field. Recently, Megan made the move to southern Alberta and has joined the Town of Crossfield as the new Water/Wastewater Strategist. She holds Level I Certification in all four disciplines. She brings a well-rounded skill set and a passion for providing safe and reliable utility services to the community. Outside of work, she enjoys travelling, hiking and spending time with her two children.
