

AQUATECH CANADIAN WATER SERVICES WATER AND WASTEWATER OPERATORS

Aquatech Canadian Water Services is a privately held Canadian corporation established in 2004, specializing in management, operations, and maintenance services for both Water and Wastewater facilities. Aquatech Canadian Water Services is one of the largest private Canadian operations teams of Water and Wastewater treatment plants.

We presently are hiring a Certified Level II/III WWT Operator for a full-time position. Candidates must possess valid Level II Certification for Wastewater treatment. All other certification will be considered an asset. This position is for our Langdon area operations near Calgary.

This specific position is to join a strong existing team of staff members, that will operate, repair and execute daily maintenance on the Wastewater Treatment systems.

Duties, responsibilities and personal qualities required, but are not limited to:

- ❖ Operate and maintain a level 3 MBBR with DAF and SBR Wastewater Treatment system.
- ❖ Proficient in Microsoft office.
- ❖ Collecting and analysis of samples.
- ❖ Process Interpretation and adjustment of process, according to the lab results.
- ❖ The ability to do minor maintenance on Chemical injection systems.
- ❖ Calibrate lab equipment and on-line instrumentation.
- ❖ The ability to trouble shoots process alarms and respond.
- ❖ Compile and complete the required reports and documents.
- ❖ Be motivated, flexible and a team player.
- ❖ Respond and communicate efficiently with client inquiries and maintain good relations with the public, office staff, co-workers, and contractors.
- ❖ Have effective organizational skills.
- ❖ Promote a positive image of Aquatech Canadian Water Services.
- ❖ Be willing & competent to complete a regular, on-call rotation.

The successful candidate will enjoy a competitive salary and benefit package, plus many other incentives from a company who regards "Our employees as our most important resource". Please submit your resume to Aquatech Canadian Water Services:
