

Project Manager, Asset & Capital - Water & Wastewater Infrastructure

Status: Full-Time Permanent

Location: Calgary, AB or Regina, SK| Hybrid Work (with flexibility to reside within close commuting proximity to Calgary and its surrounding areas)

Job Summary

If you're passionate about building sustainable systems, working closely with field teams, and making a visible impact in the communities we serve – this is your opportunity. EPCOR is looking for a **Project Manager, Asset & Capital** to lead, plan and execute **water and wastewater infrastructure projects** across **Alberta, Saskatchewan, and British Columbia**.

You'll be on-site, building relationships with operators and field teams, ensuring alignment between engineering and operations. Your visibility and leadership will help bridge the gap between planning and execution, and your work will shape the future of sustainable water systems.

What You'll Do

- Leading the development and execution of capital plans for water and wastewater infrastructure.
- Collaborating with site managers and operators to scope, estimate, and deliver projects.
- Managing full project lifecycles—from concept to commissioning—ensuring safety, quality, and budget adherence.
- Supporting asset management planning and risk-based prioritization.
- Fostering strong relationships with internal teams, contractors, and municipal clients.

What You'll Bring

- **Degree** in Civil, Mechanical, or Chemical Engineering (P. Eng preferred).
- **5+ years of experience in water/wastewater** or industrial project management.
- Strong understanding of **water/wastewater processes and regulatory requirements**.
- Proven ability to **lead cross-functional teams** and **manage complex projects**.
- High integrity, strategic thinking, and strong communication skills.
- PMP, CCP, or MBA considered assets.

Location Alternatives & Relocation Assistance

This position can operate from either our **Calgary, Alberta or Regina, Saskatchewan** offices. Alternatively, the successful candidate may reside within close commuting proximity to Calgary and its surrounding areas. **Relocation assistance may be available based on eligibility.**

Why Work at EPCOR

At EPCOR, we invest in people. You'll join a purpose-driven organization with a strong safety culture, competitive compensation, and a commitment to professional growth. Enjoy **flexible hybrid work**, generous benefits, and the opportunity to shape leadership across a top-tier utility.

How to Apply

We currently only accept applications submitted through our online careers portal: <https://www.epcor.com/ca/en/careers/jobs/search-jobs.html> If you meet the qualifications outlined in the posting, we invite you to apply. The Recruiting Manager reviews all applications and is best positioned to assess alignment with the role.

Application Deadline: August 10, 2025

Please note: This is an abridged version of the job posting. Full details can be found on the EPCOR Careers page linked above.
