

ROCKY VIEW WATER CO-OP LTD.

Water Treatment & Distribution Operator

Rocky View Water Co-op has a rewarding opportunity for a motivated, career-minded Water Treatment and Distribution Operator to join our team in a full-time permanent position (37.5 hours per week) located just West of the City of Calgary.

We are a progressive, member-owned water utility with state-of-the-art facilities including a Class III Water Treatment Plant and a Class II Distribution System. We supply the steadily growing area north of Calgary from Cochrane to Airdrie servicing over 1,500 connections.

Accountable to the Operations Manager, this position requires an individual with effective organizational, analytical, communication and interpersonal skills, the ability and desire to work independently, exercise initiative and foster good working relationships.

The main responsibilities of the position include but are not limited to:

- Working with management and leadership to ensure water treatment and distribution operations run smoothly and that maintenance and repair work is completed
- Completion of lab and quality assurance tests
- Maintain time, material and equipment use records
- Responsible for maintaining adequate inventory of all chemicals, parts, plant and lab supplies
- Interpret drawings, specifications and code
- Install fixtures, pumps and equipment
- Test pipes for leaks using air and water pressure gauges
- Assist with water meter data acquisition, replacement and meter set construction
- Complete outside rounds

Fully qualified applicants will be able to meet the physical requirements of the position and will have:

- High School Diploma
- Relevant post-secondary education an asset, graduate of a recognized Water Treatment Operator program preferred
- Successful completion of the Alberta Environment & Parks Water Treatment and Distribution program and a minimum of Level I Water treatment and distribution certification or equivalent from another jurisdiction
- SCADA System experience and computer competency in Microsoft Office programs
- Valid Class 5 Alberta Motor Vehicle Operator's License, with a driver's abstract required
- Ability to work overtime as needed and be included in the on-call rotation
- Valid safety certifications including First Aid, H2S, Confined Space, Trench Safety

This position offers a great working environment, competitive hourly wage, plus a very competitive benefits package and RRSP plan.

Please forward your letter of application and resume to hr@rvwater.ca via email. Tell us about your career aspirations and what you can add to our team.

We thank all applicants for their interest. Only those to be interviewed will be contacted.
