

EMPLOYMENT OPPORTUNITY

Utilities Operator

About Us:

With a population of approximately 16,300, Cold Lake is a city that offers a wealth of excitement, adventure and entertainment for all in any season. Hugging the southern shores of Alberta's seventh largest lake, this recreational paradise can be accessed in summer and winter through western Canada's largest inland marina. New housing, excellent educational facilities, a multipurpose recreational facility and a college are just a few of the highlights that truly make Cold Lake a community of choice

Job Purpose & Responsibilities:

This is a permanent, full-time position of Utilities Operator within the Infrastructure Department. Reporting to the Utilities Foreman, the Utilities Operator is responsible for:

- The safe operation and maintenance of water plant functions, water and sewer utilities
- Ensuring safe distribution, treatment, disinfection and transmission of potable water to City of Cold Lake residences and customers.
- The repair and maintenance of water mains, sanitary and storm sewers, fire hydrants, water and wastewater systems, pump houses, lift stations and treatment facility.
- Overseeing the safe disinfection of potable water and uninterrupted transmission to customers.
- Obtaining field samples, lab testing, organizing data and record management, monitoring bacteriological levels, and reporting data to Alberta
- Environment for analysis.

This position is Monday-Friday with on-call rotations for 40 hours per week. The wage for this position is \$33.68 per hour

This position is within the scope of AUPE Local 118/016, and as such you will be required to adhere to articles contained within the Collective Agreement.

Qualifications/Competencies:

- Alberta Environment Certification - Level II Water Distribution and Level II Wastewater Collection are required, and Level II Water Treatment and Level I Wastewater Treatment are an asset.
- Applicants who have minimum 2-3 years' experience in utilities and infrastructure maintenance, in a municipal or other government setting are preferable in this competition.
- A High School diploma and Operator's class 3 license with Q endorsement are required.
- Standard First Aid, CPR, Confined Space Entry, H2S, Transportation of Dangerous Goods and Heavy Equipment Operator certifications are required while working for the City of Cold Lake.
- The Operator will have strong time management, computer, communication, organizational, and customer service skills.
- The City of Cold Lake provides a competitive compensation package to successful candidates, including an exceptional benefits plan, pension plan, and a variety of developmental opportunities.
